Here are the latest updates and what's to come in the fall!

Welcome to our summer newsletter! We hope your summer has been going well so far.

First, we would like to express our deepest gratitude to our dancers and volunteers for making our spring show *Paquita* such a success! We hope you will join us again for our upcoming show this fall!

Earlier this month, members of CUBE's executive board took over our Instagram stories, featuring a day in their lives during the summer. CUBE dancers are spending their summers doing beautiful work in their fields of study as well as taking ballet classes. Head to CUBE's official Instagram to find out more about our dancers!

CUBE Fall 2025 board applications are open! We invite you to join us and would love to hear your ideas for our club. Applications are due 8/15 at 11:59pm. Open positions are listed below!

We are thrilled to announce that we will be performing ***The Sleeping Beauty*** in our fall 2025 Show! This ballet is an iconic classic with music by Pyotr Ilyich Tchaikovsky and choreography by Marius Petipa. Show dates will be released shortly!

Auditions for *The Sleeping Beauty* will be held from **2-4 PM on Sept.7th at Bridge for Dance**. We are excited to see returning dancers and welcome new members in the fall!

Paquita '24 Recap

We are pleased to share some beautiful photos from CUBE's performance of *Paquita* on the Apollo Stages at the Victoria last spring. This performance is extra special to us as it is the last performance for our former Artistic director, PR director, and many of our dancers. We are so thankful to everyone who attended our show. It means the world to us!

Our Fall '25 Ballet: The Sleeping Beauty

King Florestan XIV and his Queen arrange a Christening to celebrate their newborn daughter, Princess Aurora. Invitations were sent out to the princess' fairy godmothers with the exception of Fairy Carabosse. This proved to be a fatal mistake. Carabosse disrupts the festivities, livid with anger at having been excluded, and casts an evil spell on Princess Aurora. Under this evil curse, Princess Aurora will prick her finger on a spindle wheel at 16 y.o and die. Luckily, the Lilac Fairy (Princess Aurora's principal Godmother) was able to ameliorate Carabosse's curse: Instead of dying, Princess Aurora will sleep for 100 years until a handsome prince breaks the spell by bestowing a kiss on her sleeping lips.

We are so excited to be performing this iconic fairytale ballet (one that warns of the dire consequences of not inviting someone to your party)! Show dates coming soon!
